

Linlithgow Spring 2016 IPC

21 April 2016

Ian Coutts, Martin Gibbs, Ian Stewart, Peter Sherliker.

This year we could only manage four pilots. The other regulars were absent due to illness or prior commitments.

The wind was easterly, starting light and increasing through the day. Lift was always present although by later flights was passing by fairly quickly.

Peter had his Tracker badly damaged in a launch mishap after only two rounds.

With only three pilots completing five rounds our team score is poor but individual scores are good. However our landings could have been better.
