

## MARCH LIFT MEETING.....PLEASE note change in date, time, and location for March only

The Hay Loft has been sold and is closed for renovations until sometime in April. **This month only**, the LIFT meeting will be moved to Wednesday, March 20, 2019 at 12:00 Noon at **Broomstacks Kitchen and Tap House** (<https://eatdrinkcurl.com>), 172 West Burdickville Rd. in Maple City.

It is located in the old Maple City School and is a great place! That is about 10 mins from our flying field.

Visited there last week and the food is very good and this is a nice, bright, recently renovated location.
